

South Dakota Alpha's Burning Heart Society

The Burning Heart Society was introduced at Founders Day XXI as an update to the 19.97 program. This annual giving plan for alumni, friends, and family will serve to provide operational dollars for the AVC and Education Foundation. These funds will support special events, leadership opportunities and more for both undergrads and alumni. All donors who pledge their annual recurring donation of at least \$19.97 will receive recognition at Founders Day. For those who donate at the Foundation Level or above will receive recognition and a commemorative set-piece.

Program Details:

- The Education Foundation manages the program and houses all BHS funds.
- All donations to the BHS will be tax deductible.
- Donations to other foundation programs will not count towards donor's BHS contribution.
- Contributions are not cumulative as each level represents a yearly pledge commitment.
- Proceeds from the BHS will be split between the Education Foundation and the AVC
